THE GROTON SESSION
20TH ANNIVERSARY

The Johnyman Sea Shanty (Sung to the Wellerman)

The finest session, Celtic-wise,
Is Groton, which may cause surprise:
Before, in Ayer it had been fun,
Now Berlin's where the tunes are spun.

HUH!

Chorus:

Edfors calls the time and place,
And if you're late, there's no disgrace.
But if you never show at all,
He just might give a call!

Banjo, Squeezebox, Cello, Pipes,
Fiddles, Bodhrán and the Likes,
Come join us in a roiling tune!
We all hope to see you soon.

HUH!

Chorus:

Wednesday nights the tunes do flow,
Jigs, Reels and Slides are seldom slow.
When it's late and we are done,
A Final Waltz or O'Carolan.

HUH!

Chorus:

Close (same notes as chorus)

La, La, La, La, La, La, La, La etc…
