

The Groton Session, Third Anniversary Song...by Sarah James

(Sung to the tune of Gypsy Rover)

The Groton Session is three today,  
Three cheers for our session leaders  
Lets Shower them with whiskey and Grand Manier,  
For they are such fabulous crea-e-e-e-tures

**Chorus:**

The Groton Session is three today, ah-de-do-ah-dee-day-dee  
We whistled and we sang, and the bohdrans banged,  
And we owe it all to Aisling, Steve and Ray-ay-ay-ay-mond

We've gone through changes, to our home base  
The Inn, O'Hanlon's, now Bull Run  
It may take longer, to get to this place  
But we still have lots of fu-u-u-un

**Chorus:**

We'd win first prize, in any session contest  
Web page, teenish session, and the slow one  
There's no doubt, at all, that we are the best  
So Dear leaders thanks a tu-u-u-u-un

**Chorus:**
